

SOUTH AFRICAN SCHOOLS ROWING CHAMPIONSHIPS 2024

REGATTA NOTICE & INFORMATION

SASRU invites its member schools to the 2024 SA Schools Rowing Championships. The purpose of this premiere schools' event is to allow school rowers the opportunity - at the end of the rowing season - to experience racing that is fast, competitive and fun. The national school championships take place on an annual basis on the first weekend in March and aim to provide an opportunity for member schools to compete in order to identify and recognise the champion school crew in each of the races offered on the three-day programme.

The regatta is organised and run by an organising committee which consists of a group of volunteers aligned to the South African Schools Rowing Union. The regatta - governed by the SASRU Rules of Racing and Constitution - is a not-for-profit event and any money raised is put towards the running of future regattas.

the number of a school's entries per event. There is also no restriction on the number of events an individual rower may enter. The SASRU Executive reserves the right to reduce the number of a school's entries in all events if in its opinion this is warranted. Coaches should therefore enter scullers and crews in order of competence.

- 2.12. Late Entries made after the date for entries will only be allocated to an event where open lanes still exist. No new heats will be created as this would mean reseeding the draw.
