10.2 If it is not possible to complete all events, President of the Jury shall liaise with the GSRF Executive and representatives from member schools with a view to reducing the number of events, e.g. by cancelling single sculling events, other U14 and U15 events or B events etc.

Please note that flying of drones before, during or after the regatta will not be permitted. RowSA are presently putting together protocols required for flying drones during RowSA regattas, and until these protocols have been put in place, drones are banned. Should you wish to apply to fly drones at the regatta, please approach Peter Heidstra, the safety officer of the Gauteng Rowing Association, and discuss with him. Only drone pilots with CAA drone pilot registrations will be considered.
