Order of Events

GSRF reserves the right to alter the order of events in consultation with the Organising Committee and school representatives. Club captains and coaches, attention is drawn to the intervals between races as set out in the draft programme. Crew entries and boat allocation should be planned around these times. GSRF will not be able to delay the published start times of any races to accommodate crew or boat clashes. Weather Interruptions: In the event of unfavourable weather, the President of the Jury shall make all decisions about safety and whether racing should proceed as per the events schedule. If the regatta is delayed, event times shall, if possible, be rescheduled to include later times of racing on the day. If it is not possible to complete all events, the President of the Jury shall liaise with the GSRF Executive and representatives from member schools with a view to reducing the number of events.

Weather interruptions

In the event of unfavourable weather, the President of the Jury shall make all decisions about safety and whether racing should proceed as per the events schedule. If the regatta is delayed, event times shall be rescheduled to include earlier and/or later times of racing on the remaining day/s of the regatta to complete all events. If it is not possible to complete all events, President of the Jury shall liaise with the GSRF Executive and representatives from member schools with a view to reducing the number of events. If it is not possible to complete the regatta, the GSRF Executive shall decide to declare the regatta "cancelled" or "complete".
